## How Employers Use Evidence to Make Employee Health Investment Decisions

Hear from employers and their solutions partners about their perspectives and recommendations around their use of research-based evidence to improve worker health and performance.

This is the first report in the series "Patient-Centered Outcomes Research (PCOR) Dissemination at Work: How Employers Use Evidence to Make Employee Health Investment Decisions" partially funded through a Patient-Centered Outcomes Research Institute (PCORI) Eugene Washington PCORI Engagement Award (#2970-CWHP).

## Workforce Health and Performance — Bright Ideas Survey

Take the survey here: <https://www.surveymonkey.com/r/TWLW87T>

The Center for Workforce Health and Performance wants your Bright Ideas. We will feature these ideas, select guest bloggers, delve deeply on topics and inform research and practice by spreading these Bright Ideas.

For our first Bright Ideas survey we would like to know your thoughts on the best ways to support workforce health and performance.

Our challenge — can you do it in 20 words or less?

**The Center for Workforce Health and Performance (CWHP)** is a clearinghouse for information that may be used to support evidence-based policies and practices for a healthier, happier and high-performing workforce, a healthier economy and, in turn, healthier and more productive communities. CWHP develops knowledge around workforce health and performance improvement and disseminates it widely through scientific and educational forums.
