October, 2019

## FROM THE CWHP BLOG

### **Work: The Good, The Bad and The Precarious**

As the future of work shifts to a new economic reality for workers, an array of policy and practice solutions should be tried that protect worker health, wellbeing and income security. Let's hold ourselves accountable for creating that economic security! [READ MORE](#)

## PRESS & EVENTS

### **Total Worker Health Recorded Webinar**

Dr. Jinnett presented a webinar on Total Worker Health (TWH), reviewing the fundamentals of this holistic approach to tackling physical and psycho-social hazards in the workplace with implications for those in the occupational and environmental health field. [READ MORE](#)

## RESEARCH & REPORTS

### **Work: The Good, The Bad and The Precarious**

In response to the Business Roundtable press release of August 19, 2019, CWHP reviews the good, the bad and the precarious nature of work today in this Blog Article from October, 2019. [READ MORE](#)
